

# A Step Ahead

## PEDIATRIC THERAPY

Dear Provider/Family:

A Step Ahead Pediatric Therapy is pleased to offer our Summer Therapy Package at a discounted rate. We are offering occupational, physical, and speech therapy again this year. This Summer Therapy Package will be available to purchase from June 5th, 2023 through July 31st, 2023. Visits MUST be used by Sept. 1, 2023. Visits will last 45 minutes each. All services will be provided by a licensed therapist at our Crestview Hills office.

We are especially interested in providing services for children who could benefit from continued services during the summer break, families looking to supplement their current services, and children exiting the First Steps program whose school services will not begin until the fall. To assist us in helping your child, please submit your child's most recent school IEP, IFSP, or therapy treatment plan along with the registration form.

The cost of each 4-visit package will be \$265.00 or an 8-visit package can be purchased for \$530.00. There will be no refunds for missed or cancelled appointments.

To enroll your child in our program, please call us at 859-426-5666 or email us at [asaptmanager@gmail.com](mailto:asaptmanager@gmail.com). We look forward to answering any of your questions and assisting you in purchasing this Summer Therapy Package.

Sincerely,

A Step Ahead Pediatric Therapy
